

Marco Polo Treasure Chest

Update on Campground Set-Up!

As you know you can now set up your trailers on the sites, however there are some things that have not been completed due to the poor weather conditions this week. Please read through carefully and we ask for your patience.

~ Picnic Tables still need to be painted and may therefore not be on your sites.

~ Sites are not raked prior to moving in

~ Priority is moving trailers, decks will follow as time allows.
