

Marco Polo Treasure Chest

Cavendish Beach Music Festival

We are in for a very exciting weekend...the massive CBMF happening, our campground full to capacity, and the possibility for some remnants of Hurricane Arthur.

There is lots going on, and we ask for everyone's support as well as your help being our eyes & ears throughout the campground. We will have extra security on all weekend and if you experience any issues please be sure to contact them at **963-2352 x4**

Please be extra cautious while driving throughout the campground as concert goers may not be entirely aware of their surroundings. Remember that you are also responsible for everyone on your site during this event.
