Some Updates

Internet ~ as many of you are aware, our Internet service is not performing as it should be. Please know that we are working very hard on this and will keep you updated with our progress.

Entry Road ~ we expect to have the 'PEI Potholes' on the entry road paved in the next couple of weeks...speed bumps in various locations will also be re-installed soon throughout the campground.

Painting ~ we have been doing a lot of painting lately in the playground areas as well as picnic tables...please be sure to check before using that it is completely dry.

Pool Liner ~was installed this week and will be filled soon for the busy summer season.

Driving Speeds ~ we kindly ask you to **slow down** while driving through the campground as we want to provide a safe atmosphere for everyone to enjoy and feel safe.

Newsletters ~ if you wish to have your newsletter delivered directly to your site, please contact the office so you can be added to the bike boys delivery list.

Father's Day ~ please join us Sunday for our first brunch from 8am – 12 noon (Dad's eat free).
