

# Marco Polo Treasure Chest

## Did You Know?

Did you know that you can purchase KJL meats, sausages and fresh island vegetables at Marco Polo? KJL products contain no growth hormones and no antibiotics. Everything is processed in the shop including the smoked bacon and they also make their own varieties of sausages like bratwurst, donair, sweet Italian, Hungarian and more. The truck operates on a CASH ONLY basis so be prepared when you see the big white truck driving through!

Again this year Rossy is available to come to your site to book a manicure, pedicure or both. Why not get a bunch of the girls over for happy hour on your deck with pampering? Give Rossy a call @ 213-2537 to book your private appointment today!

We also have tickets available in the office for the Anne & Gilbert Show.

Daily Crafts in the Rec Hall from 9am – 1pm Monday – Saturday!
