Cavendish Beach Music Festival

On behalf of me, Harm and our entire team at MarcoPolo Campground, we would like to take the opportunity to thank all of our seasonal campers for your patience and understanding last weekend during the Cavendish Beach Music Festival. The weekend did not go without some instances; however with your concern for everything around you, you were our eyes & ears. Because of this we experienced minimal damage to the property. Again a huge thank you for your support and more importantly your patience during this extremely busy weekend.
